誰說心理創傷一定要治療？日間他是喬裝不同身份的零售服務調查員，夜晚則化身潛行者，默默跟蹤一名失眠的叛逆女子。兩個本應是不可能重疊的城市游魂，竟在交叉點互綻光亮，相濡以沫最終卻又彼此排斥，一切可能只因兩個字：寂寞。假若每個人都有一抹伺機吞噬自己的陰影，他的影子可能就是她，而她的，又何嘗不可以是他？不認不認還須認，逃不掉的過去和傷痛始終會追上來，形塑出法蘭西斯高利茲首作裏的魅惑暗湧。

A psychological drama – the film's title refers to the fear of time passing – set in the Italian-speaking region of southern Switzerland. Michael's mysterious job involves traveling alone along the Alpine roadways in physical disguises to spy on possibly dishonest workers. He also keeps a distant and watchful eye on Anna, a pained and mournful woman wrestling with a secret tragedy. The lives of these two isolated individuals unexpectedly intersect, eventually suggesting that the stalker and victim are not as they first appear to be.
